Gonzaga Gets Preparatory Basketball Title

GONZAGA'S TEAM BASKETBALL

Preparatory School Championship Is Clearly Property of North Capitol Street Quint.

LEAGUE MEETS IN WEEK

Silver Cup Will Be Awarded to Winners of Series in Which Many Played.

By BRYAN MORSE.

Five straight wins over George town Preps, Fairmonts and the Army and Navy Academy basketball teams today gives Gonzaga Prep the undisputed right to the championship title in the Preparatory Basketball League and the right to challenge the winner of the interscholastic circuit for the schoolboy championship of the

Yesterday's win over the George town Preps by a 27 to 11 score puts the Gonzaga boys so far out in front that the loss of the remaining game on the schedule would in no way affect the championship standing.

The fact that Gonzaga triumphed brings forth the announcement from Secretary Cox that a league meeting will be called next week to award the silver cup emblematic of the championship.

For the past two weeks the Gonzaga ads have been forced to remain idle. During that time several of the George town Prep players have been out of the line up. Yesterday's tattle was a procession for the North Capitol street lads, who showed the effects of their lay-off, but were strong enough to climb

St. Alban closed its basketball seasor in brilliant style with a slashing defeat of the Business High School basketball team at the Y. M. C. A. by a score of 27 to 24, in the Interscholastic Basketball League battle. The game was more closely contested and cleanly played than any other contest to date, and was strictly on its merits.

won strictly on its merits.

St. Alban got the jump on the Business team at the yery start of the game. March, St. Alban's left forward, was in fine form on the foul line and took advantage of the miscues of the Business team by dropping the ball through the rim when chances were offered.

Holmes outjumped "Buck" Wise and Ralph Wise all the way through the game and Klees and Marty were able to feed the ball to the St. Alban forwards with accuracy. Busines got into difficulty when shoot-fifty-five.

Western and Eastern are due for a game next Friday, while the following Friday Business and Western are sched-uled in the final game of the series. A postponed game, between Business and A. N. P., will be worked in some time in the near future.

St. Alban has had in-and-out luck this season and finished the year with seven victories and the same number of de-feats. One pecularity of the games has feats. One pecularity of the games has been the fact that the Cathedralites have lost four battles by a one point margin. One game, a championship contest, was dropped to Eastern High by a score of the contest of the contest. dropped to Eastern High by a score of 16 to 15. Another game was lost to Eastern by 38 to 37, while still another game was lost to Friends by 28 to 27. St. Alban also defeated Friends by a single point, winning by 19 to 18.

Yesterday's game marked the final battle for "Tiny" Holmes, the St. Alban center. It is Holmes' last year at St. Alban and his work yesterday was the big factor in the win. Holmes has out-tumped every player he has been up jumped every player he has been up against in two years.

The Gonzaga lads will be called upon to play Fairmonts next week, but the contest will in no way affect the title. The Georgetown Piep team landed the runner-up position in the race, having been successful in coping with all of the others except. Georgaga. The Preps were weakened by the loss of De La Vergne and Kenning. Sherman, the center, was also out of the battle. Relay races, thrillers from the starter's pistol shot to the last gallop to the tape, will be on tap tonight at the annual renewal of the big Georgetown University games at Convention Hall, calculated to interest the most jaded follower of track athletics.

Aside from these features and the two-mile race between Yale and Princeton, and the Lehigh-Georgetown struggle for supremacy, there are eighteen other races between boys and men of all sizes and weights. Scholastic and club relays, events between fraternities and law school able classes and Boy Scouts and military organizations will be interpolated between the other races bringing the number of events on the card to

Busines got into difficulty when shooting for baskets by taking too many steps and Referee Beckett and Umpire Obst inflicted penalties every time Business players erred in this respect.

Charlottesville Basketers Win Eighteenth Straight Game and Title.

University of Virginia closes its season today, and is awarded the South Atlantic title on a record never before equaled. Defeats of George Washington and Catholic University in the past two nights added wins to a string of victories that carry with them the undisputed South Atlantic title.

In trimming George Washington in the armory last night, Virginia added its eighteenth straight win. The score was 27 to 19, and the Charlottesville boys won on their merits, although they plainly showed the effects of the grueling battle with Catholic University the night before.

The question is wether the Federal district ourt in Georgia was right in refusing a writ of habeas corpus to Frank, who is under sentence of death for the murder of Mary Phagan.
Should the Supreme Court uphold the lower court in refusing the writ of habeas corpus, nothing would stand in the way of the execution of the death sentence imposed by the State court.
